

## Department of Transportation & Urban Infrastructure Studies

Want to do something new  
and exciting ?!?

**Get paid and have fun!**

Drive an advanced driving simulator and get  
paid \$15 for each hour you drive!

The Department of Transportation & Infrastructure Studies is seeking qualified individuals for research studies using a driving simulator, which provides a realistic driving environment in a virtual highway system.

Applicants will be expected to drive the simulator about 3 hours and must have a valid driving license (Class C).

\*Please be advised we follow Covid-19 protection guidelines, including social distancing and wearing a mask at all the times in the University.

\*You are required to be fully vaccinated.

\*Your appointment may be canceled and/or rescheduled if COVID-19 restrictions change.

\*Please cancel/reschedule your appointment if you are having potential symptoms of COVID-19 or you were exposed to an individual who tested positive.
