Masters of Fine Arts Degree
Major: Interior Design (Track One)
GPA: 3.30

Years: 9/89 - 5/92 **Howard University**
School of Human Ecology
Bachelor of Science Degree
Major: Interior Design
Minor: Architecture

PRESENTATIONS

Thesis- " Are ADA Guidelines Enforced in the Professional Design Practice: The study of Designing Workspace for the Physically Disabled &Aging"
Marymount University
December 6, 2006

REGISTRATIONS

LEED Green Associate Certification: June 6, 2015 (GBCI 10692593)
Eligibility for LEED AP ID+C Certification: Spring -Fall 2022-2024
Eligibility for Interior Design License (NCIDQ) : Spring /Fall 2022-2025 (Control No: 158145 taken the IDFX - Spring 2020 , taken IDFX & IDPX Fall 2021, IDFX & IDPX Spring 2024)

WORK

Academic Appointments

Years 2018-Present Howard University Adjunct Faculty
Adjunct Faculty for the Department of Art at Howard University School of Arts & Sciences. As part of the Interior Design Department program which courses are taught. Current courses which are taught as part of the program are CAD for Interiors I & II, Office Design, Construction & Codes for Interiors, Fundamentals In Drafting for Interiors and other Interior Design courses as part of the Undergraduate & Graduate program. The Faculty Member has participated in design charettes for research projects with students, attending research programs at the university and Faculty Meetings within the department.

Years 2008-2009 Prince George's Community College Adjunct Professor
Visiting Adjunct Professor for the Engineering Technology Department. Taught courses in AUTO-CAD at this community college, which includes lecture, grading and taking attendance using the Owl system.

Years 2007-2008 Westwood College Professor
As Professor for the Institute of Design, I have taught basic courses in AUTO-CAD and Architectural Drafting. This includes giving lectures, presentations, grading, evaluating portfolios and attending faculty meetings. My tenure included faculty training for the Annadale Campus. I was later promoted to Full-time faculty as part of the CD/ID staff. My responsibilities increased with full class load that included advising students, creating reports on student's data, developing workshops for CAD, developing class trips, checking on adjunct faculty grade submittals, created program presentations for student meetings and reviewing reports on student activities.

Years 2004-2007 ITT Technical Institute Adjunct Instructor
As AUTO-CAD Instructor for the School of Drafting and Design, I taught basic courses in AUTO-CAD and Architectural Drafting. My status is Adjunct Instructor for ITT Technical Institute. This required preparing classes, grading, instruction and administrative duties. Attended faculty meetings and reported to the Chair of the School of Drafting and Design.
