

OFFICE OF MINORITY  
HEALTH AND HEALTH  
DISPARITIES

**“Achieving Health Equity and Cost Reductions  
Through Clinical-Community Partnerships”  
Join Us for the 2019 Health Equity Conference!**

This year’s conference will explore how the Total Cost of Care Model has worked with community organizations and hospitals to achieve cost savings and preventable utilization reductions. We will explore some successful partnerships and models that could be replicated to achieve health equity.

**AGENDA**
