Have you thought about taking Summer Session classes at Morgan?

Here is what you need to know in order to pay for your classes ahead of schedule!

Private Loans:

- Private Loans are available to students and may be applied for before the end of each Spring semester.
- Plan to begin this process by March 2018.

Financial Aid:

- If you are to receive a refund for the Spring semester, you may use those funds toward your Summer Session bill. You will be charged from remaining funds on your account from the Spring semester.
- In order to use loans to fund your classes you must be enrolled for at least six (6) credits as an undergraduate student.
- Students who are awarded a Pell Grant for the Summer Session do not have to be enrolled in six (6) credits, but the amount of funding received in the Pell Grant is determined by the number of credits a student is enrolled in.
- The Pell Grant by itself will not be sufficient to cover a student's bill for Summer Session courses.

Application Process:

- To apply for these funds, all students must complete a Summer Financial Aid Application which will be made available during the week of March 26, 2018.
- If you are uncertain about your funding status, Financial Aid counselors can help determine your eligibility for these funds.
- Before an application can be processed by a Counselor, you must be registered for Summer courses otherwise your application will not be processed.
- You must drop unwanted classes prior to the end of the Summer Session add/drop period on June 4, 2018.
