The Finance and Facilities Committee of the Board of Regents held a special meeting on Thursday, February 27, 2020 via teleconference. Committee Chair Shirley Malcom called the Public Session to order at 7:05 p.m., and thanked everyone for their participation. She provided brief comments with regard to the purpose of the meeting, and then yielded the floor to President Wilson to provide a high-level overview.

President Wilson thanked members of the Committee for making time for this special meeting. He stated that the University has been fortunate enough to get the state to provide some funding for deferred maintenance. Last year, the Governor pledged \$39 million in deferred maintenance over five years. This year, we were advised that funding would continue at a level of approximately \$10M when the initial funds expire in 2024.

President Wilson shared that as Morgan moves forward and builds new facilities, the University has a critical need for surge space to temporarily move individuals out of old buildings slated for either renovation or demolition. In this particular instance, he indicated that he was bringing to the Committee a lease for the Hoen Building, which is located in Baltimore City. The University was able to obtain a \$14.1M grant from the National Institutes of Health (NIH) to establish a Center for Urban Health Disparities Research and Innovation, of which approximately \$400,000 will be used to prepare office space in the building for Morgan's use. Additionally, the state provided \$1M, through the Department of Housing and Community Development, to assist in retrofitting the Hoen property for Morgan's space needs. The Hoen Building lease would enable the University to take advantage of the funding allocated to Morgan from NIH and the state of Maryland. The facility will house the Center for Health Disparities and a few other units that can operate effectively without being on the main campus. Thus, he presented the lease to the Committee for approval.

Regent Malcom stated that the Finance and Facilities Committee would move into Closed Session to consult with counsel to discuss and consider the Hoen Building lease, which is a matter specifically exempted from public consideration under § 3-305(b)(3)(7) of the Open Meetings Act. She indicated that the Committee may reconvene in Public Session at the conclusion of the Closed Session, if

necessary. After reading the closed session citation into the record, it was MOVED by Regent Resnick and SECONDED by Regent Stokes to enter into CLOSED SESSION.

The Committee moved into Closed Session at 7:11 p.m.

Approval of Lease (in Closed Session)

Regent Malcom called for a motion to approve the Hoen Building lease. It was MOVED by Regent Carter and SECONDED by Regent Wilkinson to approve the building lease. The MOTION CARRIED. The vote was unanimous.
